Our Vision

We will provide a loving, trusting and engaging community rooted in Christian Values, where everyone is respectful and is encouraged to develop as learners, maximise their talents and fully achieve their God-given potential.

Our Equality Statement

At Betley CE Primary School, we are committed to ensuring equality of opportunity for all pupils, staff, parents and carers irrespective of race, gender, disability, belief, sexual orientation, age or socio-economic background. We aim to develop a culture of inclusion and diversity in which all those connected to the school feel proud of their identity and ability to participate fully in school life.

We tackle discrimination through the positive promotion of equality, by challenging bullying and stereotypes and by creating an environment which champions respect for all.

We believe that diversity is a strength which should be respected and celebrated by all those who learn, teach and visit us.

We believe this policy relates to the following legislation:

- Disability Discrimination Act 1995
- SEN and Disability Act 2001 (SENDA)
- Children Act 2004
- Safeguarding Vulnerable Groups Act 2006
- Equality Act 2010
- Children and Families Act 2014
- Special Educational Needs and Disability (Detained Persons) Regulations 2015

We believe that we work hard to ensure that the culture and ethos of this school are such that, whatever the abilities and needs of members of the school community, everyone is equally valued and treat one another with respect. This school provides pupils with the opportunity to experience understand and value diversity.

In accordance with the planning duty in the Disability Discrimination Act 1995 and as amended by the SEN and Disability Act 2001 (SENDA) this policy and plan has been devised. It also draws on the guidance set out in "Accessing School: Planning to increase access to schools for disabled pupils" issued by the DFES in July 2002.

We welcome children with disabilities and we value the knowledge and views of parents regarding their child's disability and how it affects their ability to carry normal activities.

We believe disability is:

'A person has a disability if he or she has a physical or mental impairment and the impairment has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities. This means that in general the person must have an impairment that is either physical or mental; the impairment must have adverse effects which are substantial; the substantial adverse effects must be long-term; and the long-term substantial adverse effects must be effects on normal day-to-day activities.' (Equality Act 2010)

We have a duty to promote equality of opportunity, eliminate unlawful discrimination, eliminate disability related harassment, promote positive attitudes towards disabled people and encourage disabled people to participate in school life.

We believe it is our duty to prepare and publish a disability equality scheme that will outline accessibility to the school premises and its facilities, accessibility to the curriculum, accessibility of educational services, provision of training for school personnel and pupils which result in improved outcomes for disabled pupils,

parents/carers and school personnel in all aspects of school life.

We are proud of our ethos of support, collaboration and respect for one another. We strive to create a safe caring environment for all our pupils to experience success, happiness and excellence. All school users will benefit from the school's disability equality scheme as it will allow them to take full benefit of the opportunities that this school offers.

We are committed to providing a fully accessible environment which values and includes all pupils, school personnel, parents and visitors regardless of their education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to challenging negative attitudes about disability and accessibility and to developing a culture of awareness, tolerance and inclusion.

In response to the Access Audit undertaken by the local authority we have in place an Accessibility Action Plan designed to increase the accessibility of provision for all pupils, staff and visitors to the school, to make improvements in the provision of information and to increase access to the curriculum.
