'With Wisdom, Respect and Love we Flourish and Shine'

Our Vision

"You are the light of the world. A town built on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead, they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven." (Matthew 5:14-16)

Harvest Services

We are pleased to invite the children to participate in a special church service beginning at 9:30am at St Margaret's Church on Sunday 5th October 2025. This is a meaningful opportunity for them to engage with the church community.

You are warmly invited to join us at 2:00pm for our annual Harvest Festival, a celebration of gratitude and generosity on Tuesday 21st October 2025. This will be held at St. Margaret's Church. We will be collecting donations for a local food pantry in Madeley, which provides essential support to families in our area. Your kindness and contributions are greatly appreciated.

Fabulous Flamingos Class Trip to Chester Zoo

The Fabulous Flamingos had a truly fantastic adventure at Chester Zoo! Our curious explorers spent the day journeying through diverse habitats, from the sun-soaked savannas of Africa to the lush rainforests of South America. As they observed the animals and their environments, the children impressed us all by using rich Geographical vocabulary to describe the climate and weather in each region.

We also had lively discussions about the location of these continents on the globe, exploring how their proximity to the equator influences their climate. It was a brilliant opportunity to connect classroom learning with real-world experiences—and the Flamingos rose to the challenge beautifully!

British Values

In the news this week

Ellie Goldstein, a 23-year-old model from Ilford, has been announced as a contestant on Strictly Come Dancing. She is the first person with Down's syndrome to take part in a full series of the show, having already made history as the first model with Down's syndrome to appear on the cover of British Vogue. Ellie says she's excited for the challenge and hopes to show that people can do amazing things, even when others don't expect them to.

Things to talk about at home ...

- Have you ever seen Strictly Come Dancing on TV? Do you enjoy watching programmes that show competitions? Ask others at home whether they do.
- Why do you think Ellie decided to take part? Is it something you would like to take part in?
- Can you remember a time when you were told you couldn't do something? E.g., finish a puzzle or reach the top of a climbing frame. Share how you felt, and what happened.

Mutual Respect and Tolerance

We can be inspired by people who prove others wrong by achieving things we might not expect. Everyone deserves respect for what they do and the ways they can shine.

Each week in Worship on Thursday we explore British Values. Next week the focus is:
Mutual Respect & Tolerance

At Betley CE Primary School we are all Agents of Change!

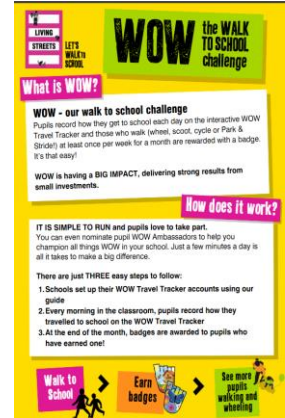

We want to make changes - in ourselves, in our school, in our community and around the planet.

Climate Action and Sustainability

This week, our WOW Ambassadors have been busy collecting data and celebrating participation in our Walk to School initiative. Children who took part received their September badges - well done to everyone involved! Keep up the great strides towards a healthier, greener journey to school.

Governor Spotlight

Our school governors play a vital role in shaping the direction and success of our school—and now you can get to know them better! Each of our governors has shared a personal introduction, offering insight into their background, experience and passion for education. You can find all their profiles and the information that they have shared on our school website. It is a great way to learn more about the people supporting our school community behind the scenes.

Take a look and discover the faces and stories behind the leadership! [Governor Spotlight](#)

Musician of the month

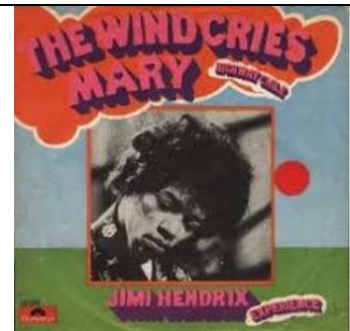

[Jimi Hendrix - The Wind Cries Mary](#)

Fun Facts – Jimi Hendrix & The Wind Cries Mary 🎸

Who was Jimi Hendrix? Jimi Hendrix was one of the most famous guitar players in the world. People loved the way he could make the guitar sound like it was talking, whispering, or even roaring like thunder!

A quick songwriter! Jimi wrote The Wind Cries Mary in just a few minutes after an argument with his girlfriend. The song was recorded the very next day!

One take wonder: The band played the song only three times in the studio, and Jimi’s first

performance was so good they used it for the record.

What's in a name? The "Mary" in the title was actually Jimi's girlfriend's middle name. He used it in the song to show how he was feeling after their disagreement.

Still loved today: Even though it was released in 1967 (a long time ago!), the song is still played and remembered all around the world.

Our School Prayer

*Let our school be full of love and respect for one another,
Let us have the wisdom to understand our place and flourish as part of God's creation
But the courage to make the world a better place
With the help of your love may we shine
Amen*

Collective Worship Focus

This week our focus will be discovering how we connect with God as part of the Sacred Pathway- perseverance.
